SPECIFICATIONS FOR PROVIDING ELECTRIC MOTOR REPAIR/SERVICE/REPLACEMENT FOR OKALOOSA COUNTY

BID #: WS 47-13

PURPOSE: The purpose of this bid is to establish a contract for Electric Motor Repair/Service/Replacement dealing primarily with equipment owned and operated by the Okaloosa County Water & Sewer Department.

BACKGROUND: Additional information may be obtained from **Mark Schmeltzer** (Okaloosa County Water & Sewer) 850-651-7133.

REQUIREMENTS:

1. The bid shall include quotes for hourly shop and hourly machinists' rates for work deemed outside the scope of these specifications or work on motors which are not itemized on the Bid Blank. Vendor records pertaining to Okaloosa County jobs must be available for audit if requested.

Note: In the event services and/or repairs are needed that are not contained herein, the County reserves the right to request quotes from the successful bidder and order the needed services and/or repairs. The County also reserves the right to utilize additional vendors in the event the successful bidder is unable to perform the needed services and/or repairs elsewhere. However, this cause will not be used to evade the intent of this Invitation to Bid.

2. Specific motor pricing given shall be based on straight time of all work required except as designated on Bid Blank for emergency turn-around.
3. Emergency or fast turnaround jobs shall be quoted on a stated unit cost plus basis with the not to exceed guaranteed time limit. The County reserves the right to request quotes from other vendors if deemed necessary based on time limitations given.
4. The bid shall include a materials quote (including rolling element bearings for under 100hp motors) on a cost plus basis. Records are to be made available upon request.
5. Sleeve bearings work shall be quoted on a per square inch basis for the reconditioning excluding machinist activities.
6. Vendor shall furnish all technical supervision, equipment and materials as required for the maintenance of the motor as defined by this Specification and the scope of work requested.
7. Vendors shall not be responsible for mechanical or electrical work at Okaloosa County facilities. Motors shall be electrically and mechanically disconnected from the driven equipment and loaded on the vendor transport by the County, or delivered by County

Staff (County discretion). Motors shall be unloaded, reinstalled, set and aligned by the County.

8. Maintenance performed and materials of components supplied under the terms of this Specification shall at a minimum meet the latest revision of the following codes and standards:

ANSI/IEEE: Standard 43-1974 "Recommended Practice for Testing Insulation Resistance of Rotating Machinery"

IEEE: Standard 62-1978 "Guide for Field Testing Apparatus Insulation"

"EASA Standards for the Electrical Apparatus Sales & Service Industry"

NEMA: Standard Publication NO. MG1 "Motor and Generator Standards"

9. This specification or applicable portions there-of shall be used as the basis for the inspection and applicable maintenance of the motors itemized on the list given as Attachment A.
10. Bids will be evaluated based on an even distribution of motors shown on the attachment.
11. Technical documentation required in excess of that provided by the County shall be the responsibility of the contractor.
12. Repairs to individual motors must generally be made within 5 working days from picking up motor from plant site or from the date delivered by County Staff unless noted otherwise on the purchase order or authorized by the Plant Project Manager or Technical Representative for procurement card service orders.
13. Location/Contract – Name & Phone Numbers:

**Okaloosa County Water & Sewer
Arbennie Pritchett WRF
250 Roberts Rd.
Ft. Walton Beach FL 32547
Mark Schmeltzer – (850-651-7133)**

14. Delivery Procedures – Truck driving picking up or delivering motors must check in at each site. County personnel will notify Water & Sewer Supply/Management that carrier is on site for pick up/delivery of motor(s) so proper documentation can be completed for transfer of equipment.
15. Order will generally be called in by the plant contracts to the contractor between the hours of 7:00 a.m. & 3:30 p.m. and the contractor will be given a purchase order number or procurement card number as a Notice to Proceed. The construction must generally pick up the motor(s) within 48 hours after receipt of order, unless directed differently by the project manager. The motor must be repaired generally within 5 working days of pick up from the County unless otherwise agreed to by the project manager, and delivered to the County generally within 48 hours of completion or repairs.

16. On occasion motors not listed in the price schedule may need to be repairs. The contractor agrees to repair these other motors at the miscellaneous shop and machinist rates in the price schedule. The contractor must provide a not to exceed price to the project manager for these repairs prior to beginning the repairs to the motor. Any unforeseen repairs needed that require a change to the cost of the repair must be approved by the project manager prior to beginning the additional repairs.
17. For bidding purposes, "small motors" shall be defined as 10hp and smaller; "large motors" shall be defined as over 10hp in size.
18. Okaloosa County specifically reserves the right to award this contract to more than 1 contractor.
19. If the estimated repair cost exceeds 50% of the replacement cost, the Vendor must call to get authorized for the repair before proceeding.
20. All replacement parts must be manufacturer's factory parts unless authorized by the County representative **in writing** (e-mail or fax is sufficient). **Okaloosa County reserves the right to terminate the contract if a contractor fails to follow this requirement.**

TECHNICAL REQUIREMENTS

Note: Abnormalities found during the disassembly, testing and maintenance of the motors which are outside the original scope of the maintenance activities should be brought to the attention of County representatives in order that suitable corrective measures can be defined and planned. (The County reserves the right to do an on-site visual inspection). These activities shall not be performed by the contractor until authorized by the County).

1. INITIAL INSPECTION/TESTS

- a. The motor shall be visually inspected before disassembly for obvious damage and defects. Notes of the as-found condition of the motor should be made on the inspection record.
- b. Insulation resistance to ground If all windings shall be taken and recorded. A polarization index shall be calculated and recorded for medium voltage motors. Voltage test levels shall be consistent with the operating voltage of the motor being tested.
- c. Air gap shall be measured and recorded at the 12, 3, 6 and 9 o'clock positions at both ends of the motor.
- d. The motor shall be dismantled and inspected for defective components. Care should be taken during the disassembly to ensure components are marked for identification and orientation for reinstallation.

2. ROTOR INSPECTION/TEST/RECONDITIONING

- a. The rotor and shaft shall be visually inspected for physical damage or signs of abnormal operation.

- b. A core loss test shall be performed on the rotor. Results shall be recorded on the test report.
- c. Thoroughly clean and dry the rotor and shaft.
- d. Inspect the rotor laminations and verify they are firm and secure on the shaft. Dress any minor rubs or burrs.
- e. Inspect the rotor bars for signs of fatigue or cracking especially at the end ring connections. NDE methods may be requested if questionable indications are found.
- f. Inspect end rings for signs of overheating, arcing or burning.
- g. Inspect the shaft and coupling fits. Verify proper tolerances of the key/keyway.
- h. Measure and record the shaft runout and inspect the bearing journals and seal areas for signs of overheating or scoring. Shaft metalizing, machining, straightening or replacement is deemed outside the scope of this maintenance activity and shall not be completed without prior approval from the County.
- i. Dynamically balance the rotor to a vibration level of 0.5 mils.

3. STATOR INSPECTION/TEST/RECONDITIONING

- a. Visually inspect the stator for signs of damage or abnormal operation. These would include rubs, overheating, loose coil tires or edges, etc.
- b. A core loss test shall be performed on the stator. Results shall be recorded on the test report.
- c. Thoroughly clean and dry the stator and motor housing. Verify cooling passages are completely free of foreign material.
- d. Inspect and clean the motor leads and lead terminals.
- e. Repair/replace loose winding ties and blocking.
- f. Tighten loose slot wedges.
- g. Dress and separate shorted laminations.
- h. Motor stator shall receive one complete dip and bake cycle using a two part epoxy varnish. The coating shall be compatible with the entire insulation system and be suitable for the environment of the motors.

4. STATOR REWINDING

- a. All rewinding shall include complete reconditioning. Reconditioning is defined as; replacement of bearings, seals, o-rings, oil and labor.
- b. All winding to include thermal protection installation/replacement (if necessary).

- c. Old windings shall be removed in a manner which prevents warping or cracking of the frame and deterioration of the core laminations or its magnetic qualities.
- d. Stator slots and core laminations shall be cleaned, inspected and dressed as necessary.
- e. A stator core loss test shall be performed following winding removal and stator inspection.
- f. Core damage that requires iron replacement or total restacking is deemed outside the scope of this maintenance activity and shall not be completed without prior approval from the County.
- g. Rewind material specifications shall meet or exceed the existing windings with regard to the number and size of conductors and insulating capabilities (electrical and thermal). Materials shall be upgraded when physically possible.
- h. A test coil shall be VPI treated with the stator. The coil shall be destructively examined to ensure full penetration of resin. Repeat VPI treatment as necessary to provide complete resin penetration.
- i. The stator and test coil shall be dipped and baked a minimum of two times. The test coil is to be returned with the motor.
- j. Following rewind, hipot at $1.7(2E + 1000)$ volts DC.

5. MECHANICAL INSPECTION/RECONDITIONING

- a. Measure and record bearing, seal and journal dimensions (include bearing OD and bearing housing fits when rolling element bearings are used). Verify proper tolerances and concentricity.
- b. Rolling element bearings shall be replaced with new sealed bearings with C-3 clearance and ABEC construction.
- c. No knurling, peening or adhesives will be used as a means of retaining bearings to the shaft or in the bearing bracket.
- d. Sleeve bearings shall be reused when possible. Clearance shall be maintained at a maximum of 0.002" for the first inch of shaft diameter plus 0.001" of additional inch of shaft diameter.
- e. Sleeve bearing work is deemed outside the scope of this maintenance activity and shall not be completed without prior approval from the County. ASTM B23 alloy 2 or 3 shall be used for any rebarbbiting work required. Sleeve bearing work shall be quoted based on paragraph 2.7 of this Specification.
- f. Sleeve bearings shall have a minimum of 80% journal surface contact in a strip approximately one inch wide in the bottom half of the bearing.
- g. Final "As-Left" bearing clearance data shall be taken and recorded.

- h. Motor frame shall be degreased, cleaned and painted with a quality coating system suitable for the motor application (primer and finish coat) from Carboline, Sherwin Williams or other manufacturer approved by the County.
- i. Motor frame shall be degreased, cleaned and painted with a quality coating system suitable for the motor application (primer and finish coat) from Carboline, Sherwin Williams or other manufacturer approved by the County.

6. FINAL ASSEMBLY INSPECTION/TESTS

- a. Prior to assembly machined surfaces shall be cleaned and polished and all threaded holes shall be cleaned and tapped.
- b. Motor shall be reassembled with new nuts, bolts and gaskets as necessary. Nuts and bolts shall be USA manufactured Grade 5 or better.
- c. Bearings shall be properly positioned on the shaft.
- d. Rotor to armature position on horizontal motors will be such that end thrust against either bearing is eliminated. Sleeve bearing end play shall be approximately 1/8" per inch of shaft journal diameter. Rolling element supplied machines shall have sufficient end play to allow for shaft expansion caused by temperature rise.
- e. Vertical machines shall have thrust bearings set per the manufacturer's specification.
- f. Rolling element bearings shall be properly lubricated in accordance manufacturer's recommendations and grease fittings removed and holes plugged.
- g. Sleeve bearing shall be properly lubricated in accordance with manufacturer's recommendations and oil ring freedom of movement verified.
- h. Rotors shall be checked for freedom of rotation.
- i. Perform and record the results of a low resistance phase test for each phase.
- j. Perform and record the results of an insulation resistance test to ground for all windings. A polarization index shall be calculated and recorded for all medium voltage motors. Voltage test levels shall be consistent with the opening voltage of the motor being tested.
- k. Perform a surge comparison test (turn to turn) in accordance with test equipment manufacturer's instructions and verify satisfactory results.
- l. If previous test results are acceptable, the motor shall be energized at rated voltage and run for a period of one hour or until sleeve bearing temperatures have stabilized for a minimum of 15 minutes. Notify County representative of bearing temperatures above 160 degrees Fahrenheit.

- m. During the test operation the following data is to be recorded at no longer than fifteen minute intervals.

- Bearing Temperatures
- Stator Temperatures
- Phase Currents
- Phase Voltages
- Vertical, Horizontal, Axial Vibrations

- n. Blue shaft and scribe magnetic center on the motor shaft.
- o. Terminate test, shut down motor and drain oil from the bearings and tag appropriately.
- p. Complete final assembly as necessary and prepare motor for shipment.

7. DOCUMENTATION

- a. A test report shall be returned with the motor. The report shall contain at a minimum all data requested in the specification.
- b. Additional maintenance activities or parts replacement required outside those identified in these specifications shall be documented and submitted for approval before proceeding with repairs. Repairs completed without prior approval shall be deemed part of the original scope of work.
- c. All motor repaired or reconditioned shall be marked with a nameplate-type tag containing the contractor's name and location, date of service, a job or shop number and the motor weight securely attached to the motor housing.

8. GUARANTEE

- a. Vendor has the sole responsibility for ensuring and guaranteeing that the equipment and materials furnished or supplied meet the requirements of this specification.
- b. All repair work and parts supplied shall be guaranteed for a minimum of one year from the date equipment is returned to service against defects in materials or workmanship supplied by the contractor. Any warranted failures shall be corrected at no cost to the County including transportation to and from the jobsite.

9. TRANSPORTATIONS/SHIPPING

- a. Vendor is responsible for ensuring motors are cleaned and properly prepared for shipment. This includes the proper handling of all waste resulting from any of the processes used during the motor maintenance activities.
- b. Motors shall be protected against damage during transit. All motors will be covered and rotors blocked. Oil shall be removed from bearings before shipment. A conspicuous tag shall be attached to each oil level sight glass indicating oil must be added to the bearings. Vendor will require County Staff to

sign delivery receipts acknowledging condition. Vendor understands that failure to properly tag motors will result in vendor responsibility to repair or replace motors as needed.

- c. Vendor shall supply all timbers, blocking and tie downs necessary to properly secure a motor during transit. Vendors shall be responsible for damages or loss during transit.

10. SERVICE FACILITY – The successful contractor shall allow Okaloosa County personnel to inspect their shop(s) if requested. A central service/repair phone number shall be provided for all in by the County. A log shall be kept of all incoming requests for repair and shall include:

1. Date/time call received.

To the fullest extent permitted by law, **CONTRACTOR** shall indemnify and hold harmless COUNTY, its officers and employees from liabilities, damages, losses, and costs including but not limited to reasonable attorney fees, to the extent caused by the negligence, recklessness, or intentional wrongful conduct of the **CONTRACTOR** and other persons employed or utilized by the **CONTRACTOR** in the performance of this contract.

Certificate of Insurance

- A. Certificates of insurance, in duplicate, indicating the job site and evidencing all required coverage must be submitted to and approved by Okaloosa County prior to the commencement of any of the work. The certificate holder(s) shall be as follows:

Okaloosa County
602-C North Pearl Street
Crestview, Florida 32536

- B. All policies shall expressly require 30 days written notice to Okaloosa County at the

address set out above, or the cancellations of material alterations of such policies, and the Certificates of Insurance, shall so provide.

- C. All certificates shall be subject to Okaloosa County's approval of adequacy of protection and the satisfactory character of the Insurer. County reserves the right to approve or reject all deductible/SIR above \$10,000.
- D. The Certificates of Insurance shall disclose any and all deductibles or self-insured retentions (SIRs). County requests that all deductibles or SIRs be no greater than \$10,000. However, **CONTRACTORS** having insurance with higher deductibles may submit a bid without penalty reflecting the pricing for their deductible provided that **CONTRACTOR** also submits a brief company financial statement.
- E. All deductibles or SIRs, whether approved by Okaloosa County or not, shall be the **CONTRACTOR's** full responsibility. In particular, the **CONTRACTOR** shall afford full coverage as specified herein to entities listed as Additional Insured.
- F. In no way will the entities listed as Additional Insured be responsible for, pay for, be damaged by, or limited to coverage required by this schedule due to the existence of a deductible or SIR. Specific written approval from Okaloosa County will only be provided upon demonstration that the **CONTRACTOR** has the financial capability and funds necessary to cover the responsibilities incurred as a result of the deductible or SIR.
- G. In the event of failure of the **CONTRACTOR** to furnish and maintain said insurance and to furnish satisfactory evidence thereof, Okaloosa County shall have the right (but not the obligation) to take out and maintain insurance on the project. All costs for the coverage will be paid by **CONTRACTOR** upon presentation of a bill.

General Terms

Any type of insurance or increase of limits of liability not described above which the **CONTRACTOR** required for its own protection or on account of statute shall be its own responsibility and at its own expense.

The carrying of the insurance described shall in no way be interpreted as relieving the **CONTRACTOR** of any responsibility under this contract.

Should the **CONTRACTOR** engage a subcontractor or sub-subcontractor, the same conditions will apply under this agreement to each subcontractor and sub-subcontractor.

The **CONTRACTOR** hereby waives all rights of subrogation against Okaloosa County and its consultants and other indemnities of the **CONTRACTOR** under all the foregoing policies of insurance.

Umbrella Insurance

The **CONTRACTOR** shall have the right to meet the liability insurance requirements with the purchase of an umbrella insurance policy. In all instances, the combination of primary and umbrella liability coverage must equal or exceed the minimum liability insurance limits stated in this agreement.

BID AMOUNT – Bidders are requested to use the attached Bid Sheet to provide pricing.

LOCAL PREFERENCE - Okaloosa County reserves the right to grant a preference to in-county bidders only when bids are received from firms located in states, counties, municipalities or other political subdivisions which offer preference to bidders located in such political subdivisions. The amount of preference given to local bidders will be the same as that given by the state, county, municipality or other political subdivisions in which a bidder is located. If the political subdivision in which a bidder is located offers a preference to its local firms, that bidder must plainly state the extent of such preference to include the amount and type preference offers. Any bidder failing to indicate such preference will be removed from the County bid list and any and all bids from that firm will be rejected.

Note: For bidder's convenience, this certification form is enclosed and is made a part of the bid package.

PUBLIC ENTITY CRIME INFORMATION - A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for **CATEGORY TWO** for a period of 36 months from the date of being placed on the convicted vendor list.

DISCRIMINATION: An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact business with any public entity.

CONFLICT OF INTEREST DISCLOSURE FORM - The award hereunder is subject to the provisions of Chapter 112, Florida Statutes. All respondents must disclose with their proposals the name of any officer, director, or agent who is also a public officer or an employee of the Okaloosa Board of County Commissioners, or any of its agencies.

Furthermore, all respondents must disclose the name of any County officer or employee who owns, directly or indirectly, an interest of five percent (5%) or more in the firm or any of its branches.

Furthermore, the official, prior to or at the time of submission of the proposal, must file a statement with the Clerk of Circuit Court of Okaloosa County, if he is an officer or employee of the County, disclosing his or spouse's or child's interest and the nature of the intended business.

Note: For bidder's convenience, this certification form is enclosed and is made a part of the bid package.

IDENTICAL TIE BIDS - Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids which are equal with respect to price, quality and service are received by the County for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process (see attached certification form).

Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program.

Note: For bidder's convenience, this certification form is enclosed and is made a part of the bid package.

Bids will not be considered from vendors who are currently involved in official financial reorganization or bankruptcy proceedings.

BID OPENING – Bid Opening shall be public on the date and time specified on the bid form. It is the bidder's responsibility to assure that his bid is delivered at the proper time and place. Offers by telegram, facsimile, or telephone are **NOT ACCEPTABLE**. **NOTE:** Crestview, FL is "**not a next day guaranteed delivery location**" by delivery services.

Right to Waive and Reject:

- A. The Board, in its absolute discretion, may reject any proposal of a proposer that has failed, in the opinion of the Board, to complete or perform an Okaloosa County contracted project in a timely fashion or has failed in any other way, in the opinion of the Board, to perform a prior contract in a satisfactory manner, and has directed the Okaloosa County Purchasing Director to emphasize this condition to potential proposers.
- B. There is no obligation on the part of the County to award the proposal to the lowest proposer, and the County reserves the right to award the proposal to proposer submitting a responsive proposal with a resulting negotiated agreement which is most advantageous and in the best interest of Okaloosa county, and to reject any and all proposals or to waive any irregularity or technicality in proposals received. Okaloosa County shall be the sole judge of the proposal and the resulting negotiated agreement that is in its best interest and its decision shall be final.
- C. The Board of County Commissioners reserves the right to waive any informalities or reject any and all proposals, in whole or part, to utilize any applicable state contracts in lieu of or in addition to this proposal and to accept the proposal that in its judgement will best serve the interest of the County.
- D. The Board of County Commissioners specifically reserves the right to reject any conditional proposal and will normally reject those which made it impossible to determine the true amount of the proposal.

Disqualification of Proposers:

Any of the following reasons may be considered as sufficient for the disqualification of a proposer and the rejection of his proposal or proposals:

- A. More than one proposal for the same work from an individual, firm or corporation under the same or different name.
- B. Evidence that the proposer has a financial interest in the firm of another proposer for the same work.

- C. Evidence of collusion among proposers. Participants in such collusion will receive no recognition as proposers for any future work of the County until such participant shall have been reinstated as a qualified proposer.
- D. Uncompleted work which in the judgement of the County might hinder or prevent the prompt completion of additional work if awarded.
- E. Failure to pay or satisfactorily settle all bills due for labor and material on former contracts in force at the time of advertisement of proposals.
- F. Default under previous contract.
- G. The Board, in its absolute discretion, may reject any proposal of a proposer that has failed, in the opinion of the Board, to complete or perform an Okaloosa County contracted project in a timely fashion or has failed in any other way, in the opinion of the Board, to perform a prior contract in a satisfactory manner, and has directed the Okaloosa County Purchasing Director to emphasize this condition to potential proposers.

NO BID INFORMATION – If not submitting a bid, respond by returning this bid, making it “**NO BID**” and explain the reason. Repeated failure to quote without sufficient justification shall be cause for removal of the supplier’s name from the bid mailing list. **NOTE:** To qualify as a respondent, bidder must submit a “**No Bid**” and it must be received no later than the stated bid opening date and hour.

NO CONTACT CLAUSE – The Okaloosa County Board of County Commissioners have established a solicitation silence policy (**No Contact Clause**) that prohibits oral and written communication regarding all formal solicitations for goods and services (formal bids, Request for Proposals, Requests for Qualifications) issued by the Board through the County Purchasing Department. The period commences when the procurement document is received and terminates when the Board of County Commissioners approves an award.

PROTECTION OF RESIDENT WORKERS – The Okaloosa County Board of County Commissioners actively supports the Immigration & Nationality Act (INA) which includes provisions addressing employment eligibility, employment verification, and nondiscrimination. Under the INA, employers may hire only persons who may legally work in the United States, (i.e., citizens and nationals of the U.S.) and aliens authorized to work in the U. S. the employer must verify the identity and employment eligibility of anyone to be hired, which includes completing the Employment Eligibility Verification. The contractor shall establish appropriate procedures and controls so no services or products under the contract documents will be performed or manufactured by any worker who is not legally eligible to perform such services or employment. Okaloosa County reserves the right to request documentation showing compliance with the requirement.

“NO CONTACT CLAUSE”

The Okaloosa County Board of County Commissioners have established a solicitation silence policy (**No Contact Clause**) that prohibits oral and written communication regarding all formal solicitations for goods and services (formal bids, Request for Proposals, Requests for Qualifications) issued by the Board through the County Purchasing Department.

The period commences when the procurement document is received and terminates when the Board of County Commissioners approves an award.

When the solicitation silence period is in effect, no oral or written communication is allowed regarding the solicitation between prospective bidders/proposers and members of the Board of County Commissioners, the County Administrator or members of the Board Approved Review Committee. All questions or requests for information regarding the solicitation **must** be directed to the designated Purchasing Representative listed in the solicitation.

Any information thought to affect the committee or staff recommendation submitted after bids are due, should be directed to the Purchasing Director or his appointed representative. It shall be the Purchasing Director’s decision whether to consider this information in the decision process.

Any attempt by a vendor/proposer to influence a member or members of the aforementioned shall be grounds to disqualify the proposer from consideration during the selection process.

All proposers must agree to comply with this policy by signing the following statement and including it with their submittal.

I _____ representing _____ date _____
Signature Company Name

Hereby agree to abide by the County’s **“No Contact Clause”** and understand violation of this policy shall result in disqualification of my proposal/submittal.

E-VERIFY COMPLIANCE CERTIFICATION

In accordance with Okaloosa County Policy and Executive Order Number 11-116 from the office of the Governor of the State of Florida, Bidder hereby certifies that the U.S. Department of Homeland Security's E-Verify system will be used to verify the employment eligibility of all new employees hired by the contractor during the contract term, and shall expressly require any subcontractors performing work or providing services pursuant to the contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term; and shall provide documentation of such verification to the OWNER upon request.

As the person authorized to sign this statement, I certify that this company complies/will comply fully with the above requirements.

DRUG-FREE WORKPLACE CERTIFICATION

THE BELOW SIGNED BIDDER CERTIFIES that it has implemented a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under quote a copy of the statement specified in subsection 1.
4. In the statement specified in subsection 1, notify the employees that, as a condition of working on the commodities or contractual services that are under quote, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in, drug abuse assistance or rehabilitation program if such is available in employee's community, by any employee who is convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.
