

ADDENDUM 4

October 22, 2018

IT NTS 77-18

PUBLIC TRANSPORTATION SERVICES

This addendum is to extend the due date of the proposals and provide additional information:

The ITN due date is now: **October 31, 2018 at 2:00 p.m.**

Questions not answered in Addendum 3

68. It is stated that Okaloosa County is under contract with the Florida Commission for the Transportation Disadvantaged (CTD) to provide Medicaid Non-Emergency Transportation. The CTD no longer has authority for Medicaid Transportation services. The RFP further states under this contract is a requirement to provide bariatric services. Please clarify the Contractor is not responsible for providing these services.

A. Transit system vehicle wheelchair lifts can accommodate up to 1,000lbs, with extra wide wheelchair accessibility. If additional service is needed for more than this capacity, EMS is contacted.

127 . Does the work involve services provider to the Agency for Persons with Disabilities (APD)? There is no contract with APD; but, previously transportation was provided for APD.

A. Currently, funding is provided to their clients for transportation service, with some of these services being provided by the transit system.

128 . Would Contractor be required to complete background checks through the APD Clearinghouse?

A. No, the clients go through APD to get qualified and uses the APD Clearinghouse data base for that purpose.
