2. An opportunity for vendors to visit current County radio sites will be held on June 30, 2020 beginning promptly at 8:00 A.M. CST. Vendors should limit participants to no more than two (2) people as space will be limited at the sites. With the possible exception of the Destin Roof-top site, no SLERS sites will be visited as the County does not control those sites or have access to them. If a vendor desires to visit those sites they would need to make that request through SLERS. Participants should meet at the Okaloosa County Administration Building located at 1250 N. Eglin Parkway, Shalimar, FL 32579 in the 1st floor training room.

3. The required amount of proposals to be submitted with the ITN package is updated as follows: one (1) original, nine (9) hard copies and one (1) thumb drive.
4. Coverage area shape files can be requested by sending an email to:
dmason@myokaloosa.com
