The PIO will push recycling information and education but they need a clear plan first.

d. Stickers for Recycling

Members agreed that the stickers for recycling containers wouldn't be effective.

e. Compost

No discussion.

f. Reusables and Environmental Cost

Committee would like to encourage reusables in addition to recyclables.

g. Earth Day

Nick searched LGA's for events and found "Erase The Trace," the Okaloosa Island cleanup and Earth Day. The County doesn't push out any events. Members were in agreement to move towards participating in the Earth Day celebration next spring.
