

No permit is required to get married at any of Okaloosa County public beaches unless there will be a gathering of 50 or more people. For 50 or more people, a Special Event Permit is required. The fees are based on the number of people attending. In addition to the fees, there is a Hold Harmless Agreement to fill out and notarized. Emergency Services and the Sheriff's Department must be notified, and the party must have liability insurance with Okaloosa County listed as additionally insured for the event. (See attached documents for additional information.) Contact the Okaloosa County Resources Department at (850) 689-5084 for further information or to submit the application.

All park facilities are available on a first come first serve basis with the exception of one pavilion at John Beasley Park. The cost to reserve the pavilion is \$100. Half of that cost is refunded if the area is cleaned after use and there is no damage to County property. Contact the Okaloosa County Resources Department at (850) 689-5084 to make reservations.
