Slaterpryce Selected President-Elect Florida Engineering Society

Public Works Director Danielle Slaterpryce has been selected as 2007-08 President-Elect for the Florida Engineering Society (FES). Slaterpryce will be president in the 2008-09 for FES. FES provides opportunities for its 4300 member engineers to have a voice at the state level, to progress in their field, and also benefit from its affiliation with the National Society of Professional Engineers.

FES holds an annual conference each year at Marco Island in which Ms. Slaterpryce attended. She had this to say: "I'm excited to have been given the opportunity to act in a leadership role for a dynamic organization that places emphasis on ethics, integrity and greater understanding of the engineering profession."

Danielle Slaterpryce has been public works director for Okaloosa County since 1999. "We recognize Ms. Slaterpryce upon her selection, and appreciate her immense talent, dedication and professionalism she brings to Okaloosa County year-round, stated County Administrator Jim Curry.
