Okaloosa County Ranks #18 Nationwide for Money Raised for Heart Walk 2007

According to the American Heart Association, Okaloosa County is in the top 100 nationwide in fundraising for the upcoming Heart Walk on September 29, 2007. Okaloosa County is ranked number 18, raising \$26,591, to date. Top fundraisers in the county are Road Construction/Maintenance Supervisor Donald Kearney, raising \$8,856; Environmental Services Manager Cindy Halsey at \$7,613 and our own District 5 Commissioner James Campbell, raising a total of \$3,750.

“Kudos and CONGRATULATIONS to Don, Cindy, James and ALL County employees! You are all truly amazing and we appreciate all of your hard work and support. Okaloosa County is truly leading the fight against our nation’s number one and number three killers... heart disease and stroke,” exclaimed Division Director Jessica Davis.

Department employees throughout the county raise money all year for the Heart Walk. Recently, Commissioners Don Amunds and James Campbell organized a Steak Cookout. The Public Works Golf Tournament also helped raise funds.
