## **Hurlburt Field Road Traffic Light Activates Tuesday Road Completion Slightly Delayed**

Beginning Tuesday, April 3, the traffic signal will be fully activated in directing traffic in all directions at the intersection of Hurlburt Field Road and Martin Luther King, Jr. Boulevard. However, lanes of Hurlburt Field Road will continue to be shifted while the final layer of paving is completed. All lanes are scheduled to open by Friday, April 6.

Drivers are urged to use caution when traveling along Hurlburt Field Road during this final construction phase. The construction included sidewalks, bike lanes, curbs, gutters, stormwater drainage and new traffic lights, at an estimated cost below the expected \$4.2 million.
