

## **Okaloosa County Public Library Cooperative Governing Board Meeting Monday**

The Okaloosa County Public Library Cooperative (OCPLC) Governing Board will meeting Monday, March 26, 2007, in the Niceville Library conference room. The Board meeting will begin at 11:00 and a technology meeting will begin at 11:30. Lunch will be provided.

The technology meeting will include updates and information on the fiber optic, wireless and Horizon Upgrade projects. The improved technology will provide for a faster internet service for library patrons, improved interconnectivity between OCPLC libraries, as well as being more cost efficient. Okaloosa County Information Systems is working hard to incorporate the technology upgrades in the near future; however, it will take additional time for systems testing and training.

OCPLC Coordinator Bob Gorin will also provide an update from the Florida State Legislature, and the meeting is open to the public. OCPLC currently has 100,000 library patrons, and may be contacted at 850.609.5102.
