## Summer-Rama Presents Variety of Summer Youth Programs

What fun-filled programs can your child or teen participate in this summer? The answer lies in the 2008 Summer-Rama. Parents and youth are welcome to attend the 2008 Summer-Rama, an event coordinated by the University of Florida IFAS Okaloosa County Extension office. The event will begin at 6 p.m. Parents and youth can browse the displays set up by youth serving organizations in the area. Each organization will highlight upcoming summer programs for youth. Participating organizations include:

- Crestview Library
- Crestview Parks & Recreation
- Eglin Library
- Okaloosa 4-H
- Okaloosa County Beach Safety
- Okaloosa Saves
- YMCA

There will be time for questions and registering youth for programs. The Okaloosa County Extension program provides research, educational information and other services only to individuals and institutions that function without regard to race, color, sex, age, handicap or national origin. For persons with disabilities requiring special accommodations, please contact the Okaloosa County Extension Office at least five days prior to the program so that proper consideration may be given to the request.
