November 21-27 Proclaimed Farm-City Week in Okaloosa County

The Okaloosa County Board of Commissioners presented the Farm-City Week Proclamation to Mr. Keith Free, at the November 18 meeting to highlight the national event and recognize American farmers and ranchers who feed the world. “This week as we gather with family and friends around the Thanksgiving table, it is fitting that we count among our blessings the vital farm-city partnerships that have done so much to improve the quality of our lives,” as stated in the proclamation by Commission Chair James Campbell.

Agriculture employs more than 24 million workers who annually contribute more than \$1.3 trillion of our gross domestic product.
