## **Bob Sikes and Destin Airports Launch New Websites**

The Okaloosa County Airports System has launched updated websites for each of their General Aviation airports, The Bob Sikes Airport in Crestview (CEW) and the Destin Airport (DTS). The Bob Sikes Airport site can be accessed by visiting [www.FlyCEW.com](http://www.FlyCEW.com) and the Destin Airport site can be accessed by typing [www.FlyDTS.com](http://www.FlyDTS.com).

The new websites offer insight into the airports with photos, current projects, what's new, and also includes community links. Operational policies and procedures can be accessed as well. Pilots flying onto these airports can access airport specific navigational tools to help provide for their safe travel.

Bob Sikes and Destin Airports are diverse in nature, with the Crestview, Bob Sikes Airport having a major industrial emphasis and the Destin Airport providing a vital transportation role for business and leisure travel. Both are well-established and are vital attributes to their respective communities. All three Okaloosa County airports are linked to easily navigate these websites. For more information, call 850-651-7160 or visit the [www.flydts.com](http://www.flydts.com), [www.flycew.com](http://www.flycew.com) or [www.flyvps.com](http://www.flyvps.com).
