Native American Recognized by Governor for Service to Local Indians

George Burton Dodge Sr., also know as Chief White Antelope, was awarded the Points of Light Award by Governor Charlie Crist "for his steadfast commitment to promoting awareness and understanding of Native American culture" as well as for his humanitarian efforts.

Mr. Mike Burns, special assistant to Governor Crist, was on-hand to honor Dodge for his service to the Indian community at the October 21 Okaloosa County Commission meeting, since most of his work was dedicated within this county.
