**Getting New Electronics for Christmas?**  
***Don't Forget to Recycle the Rejects***

Purchasing a new TV for Christmas, in preparation of the digital changeover in February? Receiving a cell phone or other electronics? Please recycle old electronics by calling Okaloosa County Hazardous Waste at 850-651-7394 or 689-7394. The County accepts household hazardous waste the third Saturday from 7 until 11 AM and every Thursday by appointment from 1 to 3 PM.

Keep our environment safe from hazardous waste. Breaking down boxes for recycling is another item we can keep out of the landfill this holiday season. Reduce, Reuse & Recycle and visit [www.okaloosaf.com](http://www.okaloosaf.com) for more information.
