Storm Drain Construction at Racetrack & Richpien Road Thursday

Richpien Road in Ft. Walton Beach will be closed between 8:00 a.m. and 2:00 p.m. on Thursday, June 5th. The construction area is at the corner of Racetrack and Richpien Road, and will necessitate the closing of Richpien Road.

Either Gibson Road or Navy Street, via Bob Sikes Boulevard will serve as minimal detours to reach Racetrack, while new storm drains are installed. Please plan accordingly and for more information, call 850-689-5770.
