Fort Walton Beach Featured on “Wheel of Fortune” Nov. 26 ***Northwest Florida Regional Airport & Breakers Condominiums Prize Trip***

On Wednesday, November 26, 2008, The Breakers Condominiums and The Northwest Florida Regional Airport will be featured on Wheel of Fortune. The two Okaloosa County businesses have teamed up to award a prize package to a lucky winner with an all expensed paid trip to beautiful Fort Walton Beach, Florida.

The Breakers will provide the accommodations and the airport is providing the air travel. The winner will have to land on the predetermined space on the wheel and guess a letter correctly to be awarded the prize. The prize stays on the “Wheel” until there is a winner. “This offers a great opportunity to showcase our region on a national level,” said Mike Stenson, Business Development Manager for the Northwest Florida Regional Airport. Check your local listings for air times.
