Wright Yard Waste Facility Closed for Repairs Thursday

The scales at the Wright Yard Waste Facility will be closed for repair Thursday, August 28, 2008. Contract haulers will go to the Waste Management transfer station on Martin Luther King Jr Boulevard, for weights prior to disposing of debris at the Wright yard waste site. All other customers will be charged by volume and converted to tonnage for pricing prior to disposal. For more information, contact Okaloosa County Recycling Office at 850-651-7399.
