Northwest Florida Regional Airport Construction Captures Prestigious Award for Lord & Son Construction

Lord & Sons Construction has captured the Eagle Award for the Northwest Florida Regional Airport, 22 Acre East Side Development Project. This coveted award presented by the North Florida Chapter Associated Builders and Contractors (ABC) is for the highest quality construction and innovative practices in the field.

The ABC Excellence in Construction Award Program is the premier competition within the construction industry that honors the highest-quality and innovation in construction projects, and safety programs in our region. Award winners demonstrate leadership, innovation and safety in the construction industry and honor all members of the team: contractor, owner, architect and engineer.

Lord and Son Construction were also awarded the Gold Level of achievement for their high quality safety program and safe practices. The Safety Training and Evaluation Process (STEP) Award is presented to firms with exceptional safety records and who make safety a top priority, evidenced by training and safety in the field.

For more information, call 850-651-7160 or visit the www.vps.com.
