

Northwest Florida Regional Airport (VPS) Welcomes New Delta Service

Officials at Northwest Florida Regional Airport (VPS) recently welcomed the introduction of the newest regional jet, the Embraer 175, from Delta Air Lines. Operated by Shuttle America on behalf of Delta Connection, the new 76 seat aircraft will operate daily between VPS and Atlanta Hartsfield-Jackson International Airport. The newest generation regional jet provides abundant space and offers a 12 seat first class section.

Delta Air Lines is the world's largest airline, serving more than 170 million passengers each year. With its global network, Delta, its Northwest subsidiary, and the Delta Connection carriers offer service to 355 destinations in 64 countries on six continents. Delta provides 28 flights daily from VPS to its Atlanta and Memphis hubs.

The airline's service includes the SkyMiles frequent flier program, the world's largest airline loyalty program; the award-winning BusinessElite service; and more than 50 airport Sky Clubs worldwide.

Customers can check in for flights, print boarding passes, and check bags and flight status at www.delta.com.
