Okaloosa County Honors Fallen Deputies *Flags to Fly Half Staff Thursday & Friday*

Okaloosa County will officially honor our fallen officers by flying all national and state flags at half staff on Thursday and Friday, which coincides with each deputy's funeral. According to Federal Public Law, only the Governor of the State may proclaim that any flags be flown at half staff for a deceased present or former government official.

Okaloosa County has been given authorization from the Governor's Office to proceed with half staff observance of these officers.
