**Workshop Thursday 6 PM for Park at Garnier's**

A workshop will be held in the Water and Sewer Building's 3<sup>rd</sup> floor conference room on Thursday, November 5, at 6:00 p.m. The workshop is being held to look at ideas for a park in the area of the soon-to-be decommissioned Garnier's Wastewater Plant. Residents in area neighborhoods are encouraged to attend.

The Arbennie Pritchett Water Reclamation Facility, now in operation, is the new wastewater facility replacing Garnier's. For more information, call 850-651-7105.
