Longwood Park Has a New Pier

Longwood Park, sometimes called Poquito Bayou Park, is located at 4 Bay Street in Ft. Walton Beach, has reopened with its new pier. The park has been cleared of all building materials, the temporary fencing and the swim rope around the swim area is replaced for swimmers. **There are some old pilings still in the water at the end of the pier that must be removed by the bridge crew next week.** At this time, **please obey signs and do not jump or dive off pier.**

For more information, call 850-689-5084. For a list and directions to all Okaloosa County parks, visit www.okaloosaf.com
