Congressman Miller Presents Letter of Appreciation to Okaloosa County Public Works

Okaloosa County Public Works Road Division, Asphalt Crew and Bridge Crew, along with members of Fleet and Maintenance Operations received a Letter of Appreciation from Congressman Jeff Miller for their work on the Kennedy Bridge. Congressman Miller: "I applaud your hard work and sincere dedication in providing the highest standards of excellence. Through your unparalleled efforts the community will enjoy the bridge for many years to come."

The Kennedy Bridge is located in the Blackwater River State Forest. The letter was presented on Thursday, October 1, 2009, and follows recent receipt of the Prudential-Davis Productivity Award of Distinction from the State, as well as recognition by the Okaloosa County Board of Commissioners.
