## **Okaloosa County Parks Turn Water Off**

Okaloosa County Resources Department has turned off all water to park restrooms. In order to protect the water pipes and irrigation systems from extreme cold weather conditions predicted, all restrooms will remain closed for the next several days.

Okaloosa County personnel will monitor conditions and re-open the restrooms when weather permits. The gates will be opened and closed on our normal schedule to allow any visitors use of our parks. For more information, call (850)689-5084. For a list and directions to all Okaloosa County parks, visit [www.okaloosafl.com](http://www.okaloosafl.com).
