The American Presidential Experience is a non-partisan exhibition providing the public with a rare opportunity to experience first-hand the inspiring power of the Presidency. The American Presidential Experience is the most comprehensive Presidential Exhibition ever to travel America. Sit behind the President's desk in the Oval Office for a photo op and wave to cheering crowds on the steps of Air Force One, right here on beautiful Okaloosa Island.

The American Presidential Experience brings the unique history of the American presidency to life with full scale reproductions of the Oval Office and an actual Boeing fuselage outfitted as a detailed replica of SAM 27000 used by President Ronald Reagan as Air Force One. Replica historic gowns and dresses worn by many of our historical First Ladies are also on display. Jackie Kennedy's famous pink outfit complete with pillbox hat, Mary Todd Lincoln's inaugural outfit with hoop skirt, and other First Ladies can be admired as fashions changed throughout our national history.
