## Okaloosa County Citizens Asked to Share Priorities With Board **Survey is Online!**

Okaloosa County Board of Commissioners recently completed a telephone survey of its constituents. For those residents who want to express their opinion, but were not called by the surveyors, that survey is now online. The survey is being conducted to determine the priorities and service needs of Okaloosa County residents. This information will be used by the Board to determine budgeting levels.

Any resident who was not surveyed by phone is welcome to share their opinions with the Board by responding to the online survey. It can be accessed at [www.okaloosafil.com](http://www.okaloosafil.com). Once on the site click on **We want your opinion**, which is located just below Hotline on the left hand side of the page. The survey can only be taken one time per computer.

“The Board welcomes your opinion,” said Chairman Bill Roberts. “In these difficult financial times it is especially important that the Board’s expenditures reflect the wants and needs of the people of Okaloosa County. Everyone can help us do that by filling out the survey and making their opinions known.”

The Board will hold its first Budget Workshop on Tuesday, April 28 at 6 p.m. at the Emerald Coast Conference Center.
