Alligator Spotted at Guest Lake *Parks Department Reminder: Watch Out for Wildlife*

Florida natives also include alligators, snakes, bears, coyote and more. Okaloosa County Parks Department wants to remind visitors and residents to enjoy parks and be aware that these animals do live in our woodlands and waterways. Please remain a safe distance from predators and protect our rare species wildlife, in the sea and air.

For more information and addresses to our numerous parks, contact 850-689-5772 or visit www.okaloosafl.com. For more about Florida native species or for assistance, call Florida Fish and Wildlife, 1-800-955-8770 and visit myfwc.com.
