## **Computers Temporarily Down at NWF Regional Airport** *Flying Customers Encouraged to Arrive Early*

Contractors for the Florida Department of Transportation (FDOT) has cut a fiber line while working on Highway 85 and 123. The line interrupted computers and internet for all airlines and TSA this afternoon. **No flights have been cancelled; however, expect delays at airline ticketing counters and security.** Customers are encouraged to arrive for flights early in order to process through to their gates as soon as possible.

FDOT contractors are working to repair the fiber and connectivity to the NWF Regional Airport. For more information, **call your airline**, 24-hour customer service at the airport at 850-609-4750. You can also visit [www.flyvps.com](http://www.flyvps.com) for up-to-date access to flight and airline information. To file a complaint, visit [www.SR85-123.com](http://www.SR85-123.com).
