Okaloosa County Parks Turn Water Back on by Thursday

Okaloosa County Resources Department will turn water back on in parks and open park restrooms by Thursday, January 14. Restrooms were closed during recent cold temperatures to protect the water pipes and irrigation systems.

Okaloosa County personnel will begin turning water on Wednesday in the south parks and by Thursday in the north. All schedules return to normal by Thursday. For more information, call (850)689-5084. For a list and directions to all Okaloosa County parks, visit www.okaloosafl.com.
