Okaloosa County Commissioners Propose New Districts Map Plan

A proposed plan for redistricting can be reviewed on the Okaloosa County website. The proposed plan will be voted on at the October 18 County Commission meeting, at 6:00 p.m. in Fort Walton Beach. In compliance with statutory procedural requirements, two possible redistricting plans are presented to the Board of County Commissioners for consideration and selection. The selected districts map is now posted on the website at www.okaloosaf.com on the County Commissioners' page, or follow this link: <http://webgis.co.okaloosa.fl.us/gis/index.php/maps>.

Potential scenarios were created to meet statutory requirements, follow new census block boundaries, follow geographic features as practicable and take into consideration populations shifts. For more information, contact the Okaloosa Board of County Commissioners, 850-651-7104 or 689-5030 or the 311 Citizens Information Line.
