Storm Spotter Course at Okaloosa EOC Aug. 29

A Storm Spotter basic course will be held on August 29, at 6p.m. in the Okaloosa County Emergency Operations Center (EOC). Call Emergency Management to register 850-651-7150, and the EOC address is 90 College Blvd. East, Niceville. The course will be taught by the NWS Mobile.

Okaloosa County Public Safety reminds residents to register for **Code Red Weather Warnings** and **Ready Okaloosa**. The Code Red Weather Warning system will physically call you if there are severe weather warnings in your area of Okaloosa County, and works on TDD/TTY phones for the hearing impaired.

Please feel free to call 850-651-7150 to register for Ready Okaloosa and the Code Red Weather Warning system, or register online at www.okaloosaf.com. For online registration it is easy as 1, 2, 3; follow these instructions:

1. From Okaloosa County home page, **select** the Public Safety icon
2. **Select** Ready Okaloosa to register
3. **Select** Code Red Weather Warning if you want to register for weather warning calls.
