Vision Airlines Announces New Destinations

Executives from Vision Airlines and Northwest Florida Regional Airport (VPS) have announced new direct flights from Northwest Florida using Boeing 737 and Dornier 328 aircraft.

The new cities are:

Las Vegas, NV, St Louis, MO, Ft Lauderdale, FL, Lafayette, LA,

Tunica, MS/Memphis, TN, Atlanta (Daily service added)

Introductory fares are \$39! Fares must be purchased by Sun, April 24, 2011, with flights booked between June 1 and July 15, 2011, at this special rate.

“This is another exciting announcement from Vision Airlines,” said Michael Stenson, business development manager at VPS. “Vision continues to work with Northwest Florida Regional Airport to provide low-cost destinations to the residents of Northwest Florida. With summer vacation season just around the corner, the timing couldn’t be better.”

Vision Airlines began its direct flight service to and from VPS in December of last year. Since that time they have added 20 non-stop new destinations to its low-cost service.
