Title: Time Sheets
Policy: 118.00
Purpose: To provide procedures for completing bi-weekly time sheets.

Policy:
Time sheets must be completed by the Thursday at 0800 preceding payday to allow the Branch Commanders adequate time to collect and deliver them to the EOC.

Time sheets will be prepared on all personnel except for salaried positions.

Time sheets will be prepared utilizing the Excel spreadsheet program and placed in the station binders. No others will be accepted, without approval of the Branch Commander.

At the end of each pay period, the Branch Commanders and a Section Commander will check for accuracy and any necessary adjustments will be made.

The Branch Commanders or a Section Commander will sign all time sheets for personnel under his/her direct supervision. Explanations for leave, overtime, swap time, etc. must be included on the time sheet.

Accountability and Compliance:

1. It is the employee’s responsibility to see that his/her time sheet is completed. If no time sheet is turned in by the required time, the full-time employee will only receive pay for base hours. Relief employees will not receive a check until the next pay period.

2. Field Training Officers, alternate Branch Commanders, and Special Team members are responsible for tracking their Special Teams Paid hours. Hours need to be documented on time sheets when the field training and/or special event took place.
