

ADDENDUM 1

March 19, 2020

RFP TDD 37-20

Artificial Reef Construction Project

This addendum is to provide the answers to questions posed by potential vendors
AND update the pre-proposal meeting information:

Question: Can the project completion schedule be extended?

Answer: This grant has a very strict timeline that requires the project to be completed by the deadline listed in the RFP.

Due the current events in our Country, the pre-proposal meeting scheduled for March 23, 2020 has been changed to a telephone only meeting. Any potential vendors or interested members of the public should call 850-306-2101 for the conference line. Once you dial the number, wait for the dial tone then enter 6966; wait again, then press #; wait again, then press #.

The proposal opening date remains April 6, 2020 at 3:00 P.M.
