### **PART 1 – GENERAL INFORMATION**

The purpose of this Request for Qualification is to seek the services of a design professional for the design of Veterans Park on Okaloosa Island. This document provides the guidelines by which interested consultants are to submit their interest, qualifications, and proposal. Selection and negotiations will conform to the Florida Consultants Competitive Negotiation Act (CCNA) Chapter 287.055, Florida Statutes and County policy. The proposed draft agreement for the work contemplated by this RFQ is attached and may be subject to change.

It is the intent of Okaloosa County, on behalf of its Public Works (PW) and Tourist Development (TDD) Departments, to contract with a professional design firm for the preparation and delivery of design plans, specifications, and cost estimates for the construction of improvements to Veterans Park on Okaloosa Island. The construction of the project will be traditional Design/Bid/Construct delivery system.

The project site is located on Okaloosa Island near the Emerald Coast Convention Center. The project site fronts Choctawhatchee Bay and adjoins Marler Park on Okaloosa Island. A conceptual plan has been developed and a USACOE permit (Permit No. SAJ-2012-02569-EP) and FDEP Environmental Resource Permit (Permit No.: 0210188-004-EI/46) have been obtained for the proposed development. Copies of these permits are provided with this RFQ package. The concept plan is included as attachments to the permits. It is the goal of the County to follow the concept plan to the extent possible.

In general the project consists of the construction of living shorelines to stabilize the eroding shoreline and create, restore, and enhance natural communities including oyster habitat breakwaters and saltwater marsh. The project also includes upland and wetland natural community enhancements including removal of exotic vegetation, native species plantings, and construction of osprey nesting platforms. A total of 0.24-acre of freshwater wetlands and 1.34 acres of uplands will be enhanced. Recreational and educational features including a primary elevated timber or concrete boardwalk with educational signage/kiosks providing information about the local ecosystem and memorial statues will be constructed. Public access improvements including a 22-slip public access pier with 577 linear feet of wave attenuation fence to provide temporary, day-use docking, staging dock improvements at the existing boat ramp, and a kayak/paddleboard launch are also components of the project. Additional ancillary design services for the project will include electrical system, security lighting, security cameras, and landscaping.

Services of the consultant shall be under the general direction of the County Public Works Director or his/her designee, who shall act as the County's representative during the performance of the scope of services.

The project is being funded by multiple sources and is estimated between \$4.5M and \$8M. As this project will involve Federal grant funding, Respondents will be required to comply with 2 CFR Part 200, including but not limited to, 2 CFR §200.319(a). Delivery of design documents and final permits should not exceed 12 months.

Services also include assisting Owner with additional permits required by this project to include but not limited to, the USACOE, Florida Department of Environmental Protection, Northwest Florida Water Management District, and building permits from Okaloosa County Department of Growth Management. The consultant will be responsible

for the design of the proposed Veterans Park development. Plans will be developed for site improvements to include pier with boat slips, pier gazebo, wave attenuation wall, staging dock at existing boat ramp at adjoining Marler Park, living shoreline, pathways, observation areas, living shoreline, upland and wetland natural community enhancements. The park will be dedicated as a Veterans Memorial. The design will incorporate observation areas that will also serve to showcase bronze sculptures honoring veterans (the specific number of observation points and number of statues TBD (anticipated 6 – 10); statues will be supplied by others). No improved parking is proposed for this development. Parking will be provided at the Emerald Coast Convention Center.

**18. PROTECTION OF RESIDENT WORKERS** – The Okaloosa County Board of County Commissioners actively supports the Immigration and Nationality Act (INA) which includes provisions addressing employment eligibility, employment verifications, and nondiscrimination. Under the INA, employers may hire only persons who may legally work in the United States (i.e., citizens and nationals of the U.S.) and aliens authorized to work in the U.S. The employer must verify the identity and employment eligibility of anyone to be hired, which includes completing the Employment Eligibility Verifications. The respondent shall establish appropriate procedures and controls so no services or products under the Contract Documents will be performed or manufactured by any worker who is not legally eligible to perform such services or employment. Okaloosa County reserves the right to request documentation showing compliance with the requirements.

Respondents doing construction business with Okaloosa County are required to use the Federal Government Department of Homeland Security’s website and use the E-Verify Employment Eligibility Verifications System to confirm eligibility of all employees to work in the United States.

**19. SUSPENSION OR TERMINATION FOR CONVENIENCE** - The County may, at any time, without cause, order Respondent in writing to suspend, delay or interrupt the work in whole or in part for such period of time as the County may determine, or to terminate all or a portion of any contract resulting from this solicitation for the County’s convenience.

Upon such termination, the Contract Price earned to the date of termination shall be paid to Respondent, but Respondent waives any claim for damages, including loss of profits arising out of or related to the early termination. Those Contract provisions which by their nature survive final acceptance shall remain in full force and effect. If the County orders a suspension, the Contract price and Contract time may be adjusted for increases in the cost and time caused by suspension, delay or interruption. No adjustment shall be made to the extent that performance is, was or would have been so suspended, delayed or interrupted by reason for which Respondent is responsible; or that an equitable adjustment is made or denied under another provision of this Contract.

**20. FAILURE OF PERFORMANCE/DELIVERY** - In case of default by the respondent, the County after due notice (oral or written) may procure the necessary supplies or services from other sources and hold the respondent responsible for difference in cost incurred. Continuous instances of default shall result in cancellation of the contract and removal of the respondent from the vendor list for duration of one (1) year, at the option of County.

**21. AUDIT** - If requested, respondent shall permit the County or an authorized, independent audit agency to inspect all data and records of respondent relating to its performance and its subcontracts under any contract resulting from this solicitation from the date of the contract through three (3) years after the expiration of contract.

**22. EQUAL EMPLOYMENT OPPORTUNITY; NON DISCRIMINATION** – Respondent will not discriminate against any employee or an applicant for employment because of race, color, religion, gender, sexual orientation, national origin, age, familial status or handicap.

**23. NON-COLLUSION** – Respondent certifies that it has entered into no agreement to commit a fraudulent, deceitful, unlawful or wrongful act, or any act which may result in an unfair advantage over other respondents. See Florida Statute 838.22.

**24. UNAUTHORIZED ALIENS/PATRIOT’S ACT** – The knowing employment by respondent or its subcontractors of any alien not authorized to work by the immigration laws is prohibited and shall be a default of the terms under which respondent was placed on the Active Contractors List . In the event that the respondent is notified or becomes aware of such default, the respondent shall take steps as are necessary to terminate said employment with 24 hours of notification or actual knowledge that an alien is being employed. Respondent’s failure to take such steps as are necessary to terminate the employment of any said alien within 24 hours of notification or actual knowledge that an alien is being employed shall be grounds for immediate termination of the subject contract and removal of the respondent from the Active Contractors list. Respondent shall take all commercially reasonable precautions to ensure that it and its subcontractors do not employ persons who are not authorized to work by the immigration laws.

**25. IDENTICAL TIE PROPOSAL** - In cases of identical procurement responses, the award shall be determined either by lot or on the basis of factors deemed to serve the best interest of the County. In the case of the latter, there must be adequate documentation to support such a decision.

**26. CONE OF SILENCE CLAUSE** – The Okaloosa County Board of County Commissioners has established a solicitation silence policy (Cone of Silence Clause) that prohibits oral and written communication regarding all formal solicitations for goods and services (formal bids, Request for Proposals, Requests for Qualifications) issued by the Board through the County Purchasing Department. The period commences from the date of advertisement until award of contract.

“Registered in the System for Award Management (SAM) database” means that.

(1) The Offeror has entered all mandatory information, including the unique entity identifier and the EFT indicator, if applicable, the Commercial and Government Entity (CAGE) code, as well as data required by the Federal Funding Accountability and Transparency Act of 2006 (see [subpart 4.14](#)) into the SAM database;

(2) The Offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation “Unique Entity Identifier” followed by the unique entity identifier that identifies the Offeror’s name and address exactly as stated in the offer. The Offeror also shall enter its EFT indicator, if applicable. The unique entity identifier will be used by the Contracting Officer to verify that the Offeror is registered in the SAM database.

(c) If the Offeror does not have a unique entity identifier, it should contact the entity designated at [www.sam.gov](http://www.sam.gov) for establishment of the unique entity identifier directly to obtain one. The Offeror should be prepared to provide the following information:

(1) Company legal business name.
