

ADDENDUM 1

December 31, 2019

RFP PS 20-20

LEASE OF FIFTEEN (15) NEW CARDIAC MONITOR/DEFBRILATORS

This addendum is to provide answers to questions submitted by vendors.

1. Question: Does the County have any old monitors they would like to trade in for credit towards the new lease?
Response: No, we will not be trading in any devices.
2. Question: Regarding data management, how many people do you want to have access to annotate the patient records?
Response: Four
3. Question: Regarding data transmission, how many tablets need to have the capability to transmit 12-leads?
Response: All monitors should have that capability
