On August 16th 2011 the Okaloosa Board of County Commissioners (BCC) approved a 5 year plan of rate increases. Effective **October 1, 2011** a 1.95% rate increase will be applied to Water & Sewer charges, only. The new rates will appear on bills sent out after the first week in October. The first bill you receive with the new rates will have 2 Water and 2 Sewer charges to cover the proration period. The BCC has also approved an increase in the ancillary charges contained on page A-5 of [Appendix A: http://www.co.okaloosa.fl.us/wsweb/docs/AppendixA10012011.pdf](#).
